Click To Start

RokaCeram Yazd Co. is a ceramic tile manufacturer based in Yazd, Iran. The company started in February 2016 under the Ministry of Industry, Mine and Trade (SAMT). Since then, RokaCeram has grown quickly and built a strong reputation in the ceramic industry.

Today, our factory covers 20 hectares with 50,000 square meters of modern production space. We use advanced European technology to ensure quality in every product. As a result, our production capacity now reaches over 4 million square meters each year.
